

## Consultation on proposal to change the published admission number for Rye Hills Academy.

The Trustees of the North East Learning Trust are required to determine our school admissions arrangements every year. This involves reviewing a range of related factors and then deciding whether any changes need to be made.

The School Admissions Code produced by the Department for Education states that where the admission authorities propose to change their admission arrangements, they must first publicly consult on these arrangements.

In its role as the Admissions Authority, the North East Learning Trust is proposing to change the published admission number with effect from September 2024 and will apply to admission arrangements going forward.

The consultation will take place between 15 December 2022 and 27 January 2023.

### Published Admission Number (PAN)

The PAN is the number of places we intend to make available for our normal intake. Once the PAN has been set for an Academy, we will not refuse any applications submitted during the normal admission round for Year 7 where the PAN has not been exceeded.

However, if there is an unexpectedly high demand and the Trust believes we could admit additional children, we will inform the LA and admit children above the agreed PAN.

PAN for Rye Hills Academy:

Academy	Phase	Current PAN	Proposed PAN 2023/2024
Rye Hills	Secondary	180	150

### PAN and Student Numbers on Roll – September 2022

	Year 7	Year 8	Year 9	Year 10	Year 11
Numbers on roll	187	179	168	181	149
PAN	237	237	237	237	237
